

The sixth sale of the 2011 winter season took place in Port Elizabeth today (15 November 2011) with another small offering of 73 090 kg's.

The offering on the second last sale consisted of good quality hair with better length than the previous sale. Although competition was still lacking for strong adult hair, there was much better competition from greasy buyers for fine adults, young goats and kids. The stronger end of the kid offering also enjoyed increased interest from all the buyers.

The average market indicator gained 3.8% from the previous sale to close on R90.63, with 97.6% of the offering being sold. There seems to be some positive signs in the market, especially for the finer end of the clip. With only one sale remaining for the current winter season, buyers also ensured they will have sufficient stock for the off season.

A highest price of R232.00 p/kg was paid for a bale of 24 micron plus average winter kid mohair.

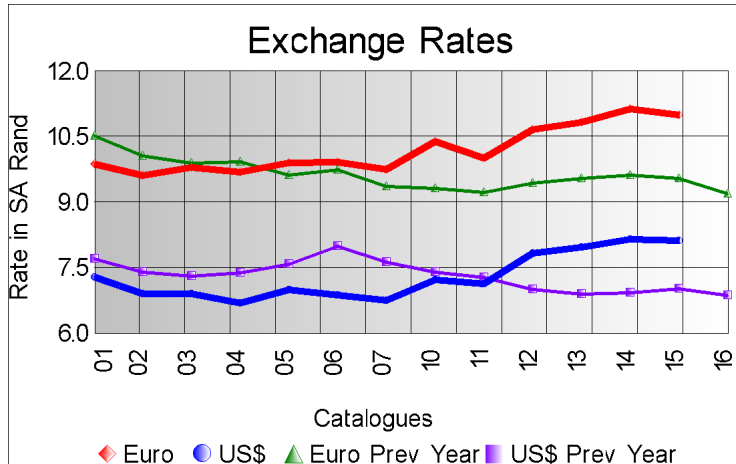

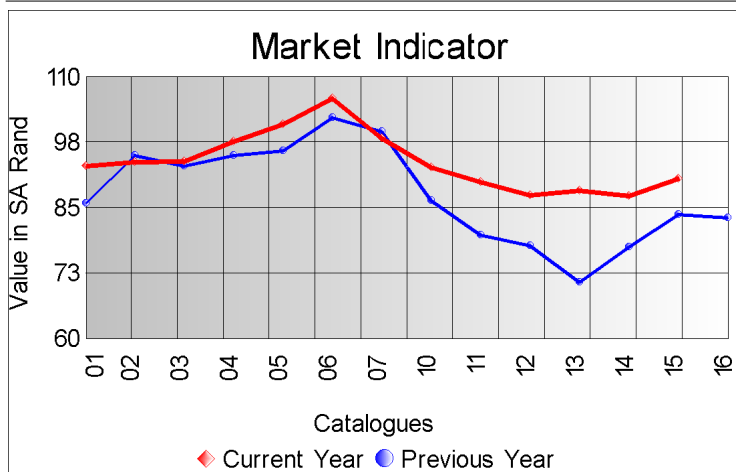

Compared to the previous sale prices were as follows:

Kids(winter)	up	3.3%
Young Goats(winter)	up	2%
Fine Adults	up	5%
Strong Adults		unchanged
Average	up	3.8%

The last winter sale is scheduled for 6 December 2011.
