

The mohair market continued on a positive note on today's (28 May 2013) mohair sale held in Port Elizabeth. A total of 67 808 kg's was on offer, which consisted of some excellent individual clips. The average market indicator gained a further 1% from the previous sale to close on R118.94 per kg.

Competition amongst buyers was fierce, with the adult sector also gaining some ground on the back of interest from the greasy export ers.

Kid's once again experienced strong demand, with adults also making solid gains.

A record highest price of R433.00 per kg was paid for a bale of good style 25 micron kid mohair.

With only one sale left this summer season it is expected that buyers will continue competing strongly for the mohair on offer.

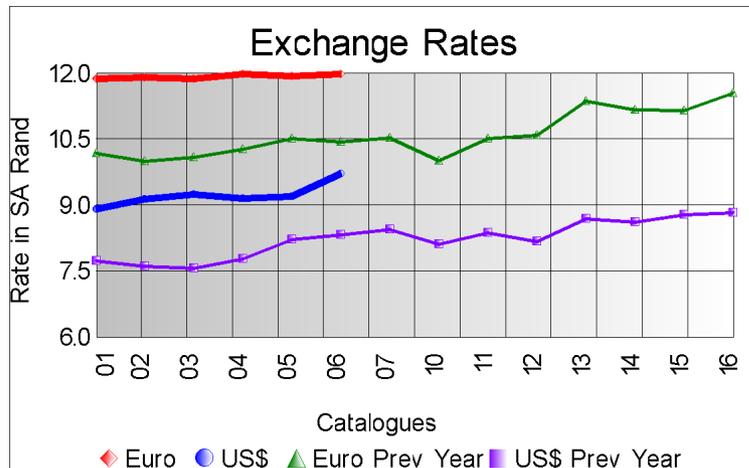

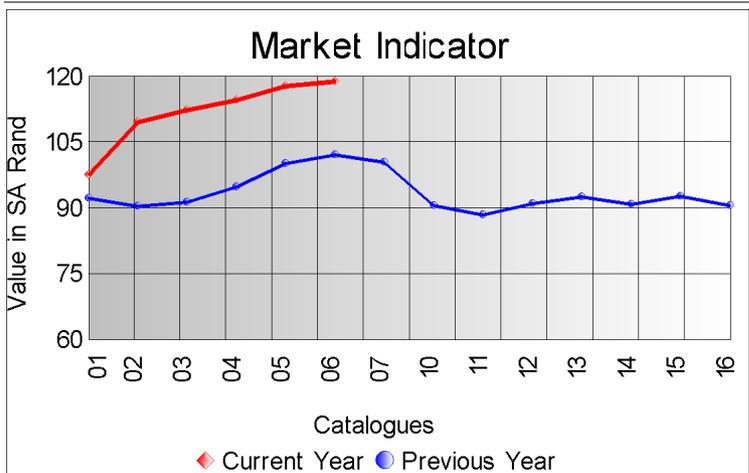

Compared to the previous sale prices were as follows:

Kids (summer)	up 4.7%
Young goats(summer)	unchgd
Fine adults	up 2%
Strong adults	up 1.8%
Average	up 1%

The next sale will take place on 11 June 2013.
