

The second sale of the 2015 summer season took place in Port Elizabeth today (10 March 2015). A total of 166 658 kg's were on offer, of which 96% was sold. Although the average market indicator shed 2.7%, the adult market performed well, with the weaker ZAR/USD exchange rate supporting this sector.

The auction kicked off slowly with competition improving throughout the day. Although there were good individual clips on offer the overall length of the offering was shorter.

The kid's and young goats could maintain their price levels, in spite of a stronger ZAR/EUR exchange rate.

A highest price of R500.00 per kg was paid for a bale of 23 micron good style kid mohair.

The weaker prices for young goat outsorts resulted in a slight decrease in the average market indicator.

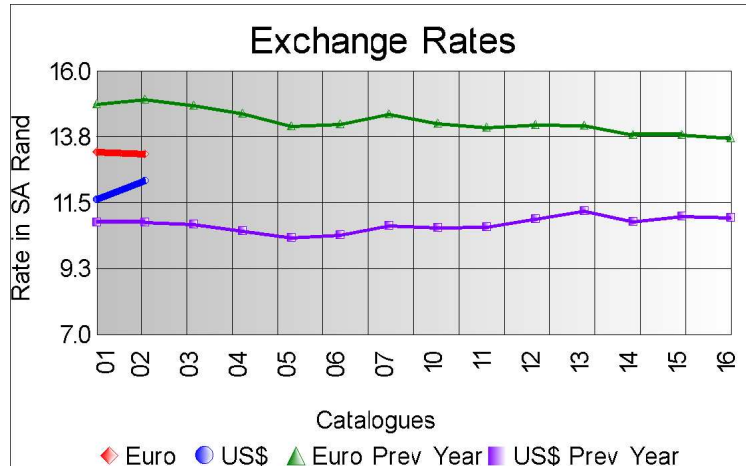

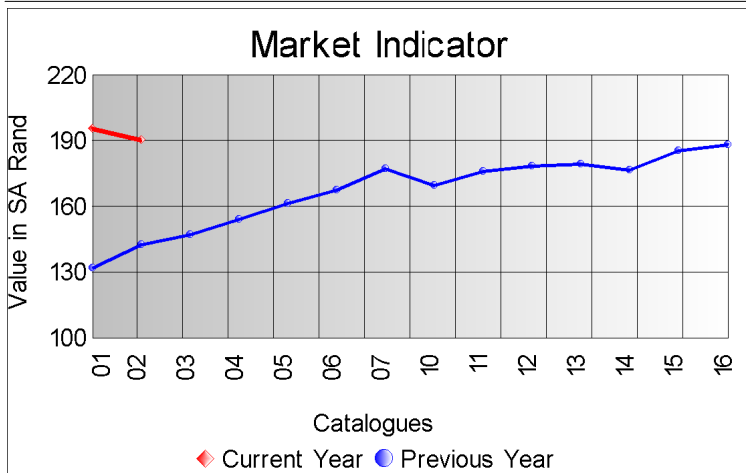

Compared to the previous sale, prices were as follows:

Kids (summer)	Unchanged
Young Goats (summer)	Unchanged
Fine Adults	Up 6.3%
Strong Adults	Up 3%

The third summer auction will take place on 24 March 2015.
