

The third sale of the 2020 mohair summer season took place in Port Elizabeth today, 8 September 2020, with 180 890 kg on offer, of which 75% was sold.

Although the offering consisted of some good individual clips, the average market indicator decreased by 1% (in Rand and Dollar terms) from the previous sale, to close on R222,88 per kg.

The kids sector of the market decreased by 2% due to the shorter length kid mohair on offer. Although the sale percentage is higher than the previous sale, the sale percentage is lower than usual due to seedy mohair on offer and reserve prices on individual clips.

There was good competition for RMS certified mohair which resulted in a better sales percentage and higher prices. A highest price of R560 per kg was paid for a bale of 24/25 micron kid mohair.

Compared to the previous sale, prices were as follows:

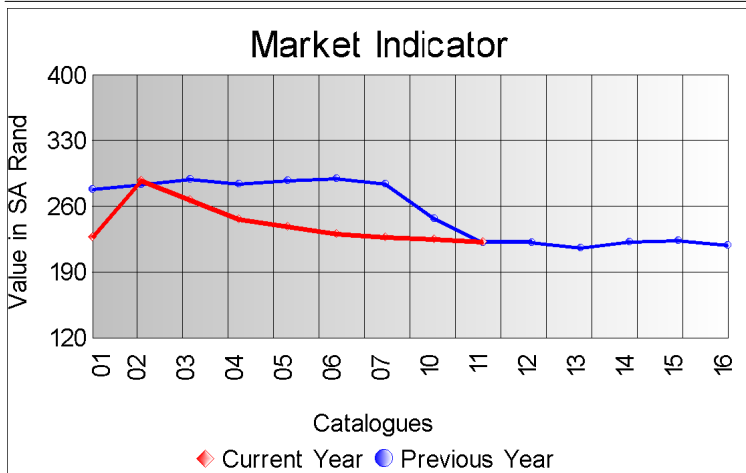

Kids	Down 2%
Young Goats (winter)	Up 1%
Fine Adults	Unchanged
Strong Adults	Unchanged
Average	Down 1%

The third sale of the 2020 summer season will take place on 29 September 2020.
