

The final sale of the 2021 summer season took place in Port Elizabeth today, 8 June 2021, with 110 260 kg on offer of which 92% was sold.

The offering consisted of mixed quality with good quality individual clips. The SA currency again traded stronger than the previous sale, which put pressure on the mohair market. The average market indicator decreased by 5% (decreased by 3% in dollar terms) from the previous sale, to close on R373.50 p/kg.

A highest price of R900.00 p/kg was paid for a bale of 24 micron super style kid mohair.

The average mohair price for the entire 2021 summer season is R377.76 p/kg, which is 54% more than the average mohair price of the 2020 summer season.

It was clear that the RMS-certified mohair was the most sought-after mohair fibre during the season, with the buying houses competing actively for this segment of the market.

Compared to the previous sale, prices were as follows:

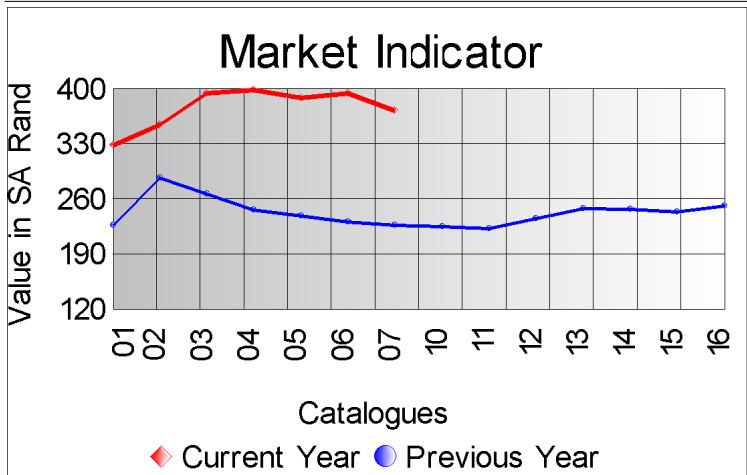

Kids	Down 6%
Young Goats	Down 5%
Fine Adults	Down 5%
Strong Adults	Up 1%
Average	Down 5%

The first sale of the 2021 winter season will take place on 17 August 2021.
