

The 2016 winter season mohair auctions continued today, with 139 879kg on offer on the fifth sale, with an overall sales clearance of 93.6%.

The market held up well, taking into account the stronger South African currency and volatile trading conditions. The average market indicator eased by 2.4% to close on R188.93 p/kg.

Although competition was somewhat variable during the sale, there was still good competition from most of the buying houses for the better quality hair on offer. With only two sales remaining for the current winter season, buyers will have to secure their supply for the off season.

A highest price of R342.10 p/kg was paid for a bale of super style 26 micron kid mohair.

Compared to the previous sale, prices were as follows:

| Kids (winter)        | Down 2%   |
|----------------------|-----------|
| Young Goats (winter) | Down 3.5% |
| Fine Adults          | Down 2%   |
| Strong Adults        | Down 2%   |
| Average              | Down 2.4% |

The sixth winter sale will take place on 22 November 2016.
